

**BUREAU OF WATER MANAGEMENT
AND
WATER RESOURCES COMMISSION**
Memorandum

To: John Bohunsky, John Cosens

Subject Brown Corporation
314 S. Steel Street
Ionia

From: T. Hicks

Date: February 21, 1972

Staff visited this establishment and found the Company had a cooling water discharge, estimated to be 12,000 G.P.D., going to a swampy area behind plant. This was not reported for the surveillance fee.
